**What if you could create a comfortable place and time for people to gather weekly to explore life and faith?**

What if it looked and felt like the kind of place you typically meet a friend for food and drink and fun? What if the atmosphere encouraged conversations, questions, and personal stories? What if the conversations about life somehow led to an ah-ha of God's real presence and his genuine love?

Those questions led to the creation of Lifetree Café. Now each week people gather in cozy venues to explore life and faith. The hour-long Lifetree Café experiences feature real stories of real people, guided conversation, time to build relationships with new and old friends, laughter, fun, spiritual insights, and opportunities to serve.

Lifetree Café offers a casual physical environment, warm hospitality, a safe place for questions and doubts, and an encouraging atmosphere for participants to share their own stories.

Lifetree stories dig into the big and little stuff that shapes our lives. Family. Friends. Fears. Busyness. Balance. Money. Materialism. Health.

"I felt welcomed the minute I walked in the door... and my opinions we're welcomed too. Thank you Lifetree Café."

"I found myself sharing things I've never shared with anyone before."

"My wife and I like to come here as a date night out."
