LECTIO

THE GOOD SHEPHERD

"Amen, amen, I say to you, whoever does not enter a sheepfold through the gate but climbs over elsewhere is a thief and a robber. But whoever enters through the gate is the shepherd of the sheep. The gatekeeper opens it for him, and the sheep hear his voice, as he calls his own sheep by name and leads them out. When he has driven out all his own, he walks ahead of them, and the sheep follow him, because they recognize his voice. But they will not follow a stranger; they will run away from him, because they do not recognize the voice of the stranger."

Fourth Sunday of Easter

What do you think is the Good Shepherd's voice? Pray in the spirit that practice that allows us to listen with the heart. In the loud sounds of everyday life, in difficult times, essential listening requires silence.

Timothy D. Smith's program song, Give Me Ears to Listen, provides a moment for reflection.

Focus Verse

Now after they had left, an angel of the Lord appeared to Joseph in a dream and said, "Get up, take the child and his mother, and flee to Egypt, and remain there until I tell you; for Herod is about to search for the child, to destroy him." (Matthew 2:13 NRSV)

Our Confirmation preparation program has two components: Once a month in-person classes and an online study. The online study is a place for students to develop their faith weekly by completing multi-media lessons which include videos, reading, Saint reflections, multiple-choice questions and online small group discussions. Each small group has their own online space to discuss faith topics, ask questions, and pray for one another. By having both in person classes and an online study we hope to help families learn more about their faith while respecting the many demands for their time.

The screenshot shows the 'video catechism' website with a navigation menu for CREED, SACRAMENTS, MORALITY, and PRAYER. The PRAYER section is active. The page content includes an introductory paragraph: "The Catechism is broken into four sections. It starts with the Creed, which is the backbone, the skeleton of the deposit of faith. Then we have the Sacraments, the nervous system, the way that we experience God. Add to that Morality, the muscles we need to be strong enough to live a holy life. But it all comes together in Prayer, the life blood we need to have a relationship with God. Put them all together, and we have a living person Jesus Christ, the image of the invisible God and the goal of all catechesis. The more we know about Him, the more we're able to love Him and be like Him."

Below the text are three video thumbnails:

- Beginning of Holiness** (June 2016 - Beginning of Holiness): Blessed Mother Teresa's insights on prayer and how it connects us with God are put to simple but beautiful graphics that will inspire.
- The Green Rubber Band** (July 2016 - The Green Rubber Band): Lesley tells the story of her total surrender to God for the most unusual reason at the most unsuspecting time.
- Prayer** (August 2016 - Prayer): Teens from the Diocese of Wheeling-Charleston, West Virginia talk about prayer.

Each video thumbnail includes a 'Click here to download wmv video' and 'Click here to download mov video' link. Below these are three thumbnails for 'Adan in the Desert - Episode 1', 'Adan in the Desert - Episode 2', and 'Adan in the Desert - Episode 3'.

The screenshot shows a video player interface. At the top, the text reads "Christian Initiation & New Member Formation". The video content features a man in a purple shirt standing in front of a church building. The video title is "Intro to The Basics of Christianity" by Pastor Bill Crabtree of Silverdale Lutheran Church. The video player controls at the bottom show a progress bar at 0:00 / 0:31.

DISCUSSING CREATIVITY AT GOD ON TAP TOMORROW NIGHT!

Join us for God on Tap tomorrow night, July 26th at 7:30pm at Forest & Main Brewing Company in Ambler. Our topic: creativity.

When the universe seems to be sending you signals, its best to pay attention.

Lately, I've been hearing a lot about creativity—how it works, what fuels it, what inspires it, and what prevents it.

From a podcast reminding its listeners of the importance of boredom for creativity, to reading authors like Stephen King and Anne Lamott describe their writing process, to Elizabeth Gilbert's TED talk about your elusive creative genius, to a conversation just this past week with my friend like Jim Kast-Keat about how he creates great projects like his Thirty Seconds or Less videos. (He describes his creative process as something akin to throwing spaghetti against a wall and seeing what happens.)

Creativity. Its a common thing. We create all kinds of art, theatre, music, school lesson plans, woodworking, gardens, beer, designing, writing, business plans, you name it. We may not have created ourselves, and yet we do create and craft and shape our lives as we tend to our relationships, work, and callings.

Advent or Lent Online "Curriculum"

Welcome to Advent

LIKE THE ADVENT WREATH

(to count down the days)

Advent Activities

Advent Wreath: Traditionally, Advent wreaths are constructed of a circle of evergreen branches into which four candles are inserted, representing the four weeks of Advent. Usually, three candles are purple and one is red, but white candles can also be used. The purple candles in particular symbolize the prayer, penance, and preparatory sacrifice and goods works undertaken at this time. The rose candle is lit on the third Sunday, Gaudete Sunday, when the priest also wears rose vestments at Mass. Gaudete Sunday is the Sunday of rejoicing, because the faithful have arrived at the midpoint of Advent, when their preparation is now half over and they are close to Christmas. The progressive lighting of the candles symbolizes the expectation and hope surrounding our Lord's first coming into the world and the anticipation of his second coming to judge the living and the dead. Go to [Blessing of Advent Wreath](#).

Advent Candles: Devise a set of Advent candles for your family to use during this season of hope, peace, love, and joy. Go to [Vibrant Faith at home](#).

Alternative Advent: Kids create an alternative advent calendar to benefit a charitable organization in their town. Instead of just opening boxes on an Advent calendar or moving Santa from one slot to the next, use Advent as a time to collect donations or goods for a local charitable organization. Go to [Vibrant Faith at home](#).

Jesse Tree: The Jesse Tree helps us connect the custom of decorating Christmas trees to the events leading to Jesus' birth. The Jesse Tree is named from Isaiah 11:1: "A shoot shall come out of the stock of Jesse, and a branch shall grow out of his roots." Jesse was the father of King David. We adorn a Jesse Tree with illustrated ornaments that represent the people, prophesies, and events leading up to the birth of Jesus. The ornaments of the Jesse Tree tell the story of God in the Old Testament, connecting the Advent season with the faithfulness of God across four thousand years of history. Teens and Digital Media: Our First Facebook Live Event!

Join us for our first Facebook Live event from the comfort of home or while you're out and about on your smartphone as Pastor Keith is joined by Bethany Stolle, who will present on what parents need to know about teens and digital media. Tune into the [UDLC Facebook page](#) at 8pm Eastern Time on November 6th to watch and share your ideas and questions. This is open to everyone. Program Description

The mall. Public parks. Friends' houses. The lunch room. The physical spaces that were central to socialization, extracurricular learning, and identity formation for many of us have increasingly shifted to digital spaces. And there are implications for parents, teachers, ministry leaders and anyone else who works with young people. This workshop will explore digital media trends among kids and teens, the diversity of experiences when it comes to youth and social media, how adolescents are working out their identities through "networked publics," and considerations for faith formation with a tech-connected generation.

Summit's PERSONALIZED SCHOOLS

A personalized school is designed to meet the needs of **each & every individual student.**

At Summit, we focus on four key elements of college and career readiness, and empower students to drive their learning and own their success.

Personalizing Learning

Personalized learning is tailoring learning for each student's strengths, needs and interests—including enabling student voice and choice in what, how, when and where they learn—to provide flexibility and supports to ensure mastery of the highest standards possible.

Two Ways to Approach Personalizing

Approach One: Personalize the Pathway for People

- ✦ Develop pathways of faith maturing
- ✦ Develop playlists of content and experiences tailored to the pathways
- ✦ Upload playlists to a digital platform

Approach Two: Personalize the Offerings

- ✦ Identify important life and religious needs of target audience(s)
OR develop a pathways model
- ✦ Develop a digital platform with content to address the needs
- ✦ Format the content tailored to different spiritual-religious identities
