## Questions & Uncertainties

- Sunday worship?
- Large group gatherings at church?
- Intergenerational and/or family faith formation gatherings at church?
- Children's classes? Youth meetings?
- Rituals: Baptisms, First Communion, Confirmation, etc.
- Retreats?
- Mission trips?

*How durable, resilient, and flexible are the current forms of ministry and faith formation?*

5

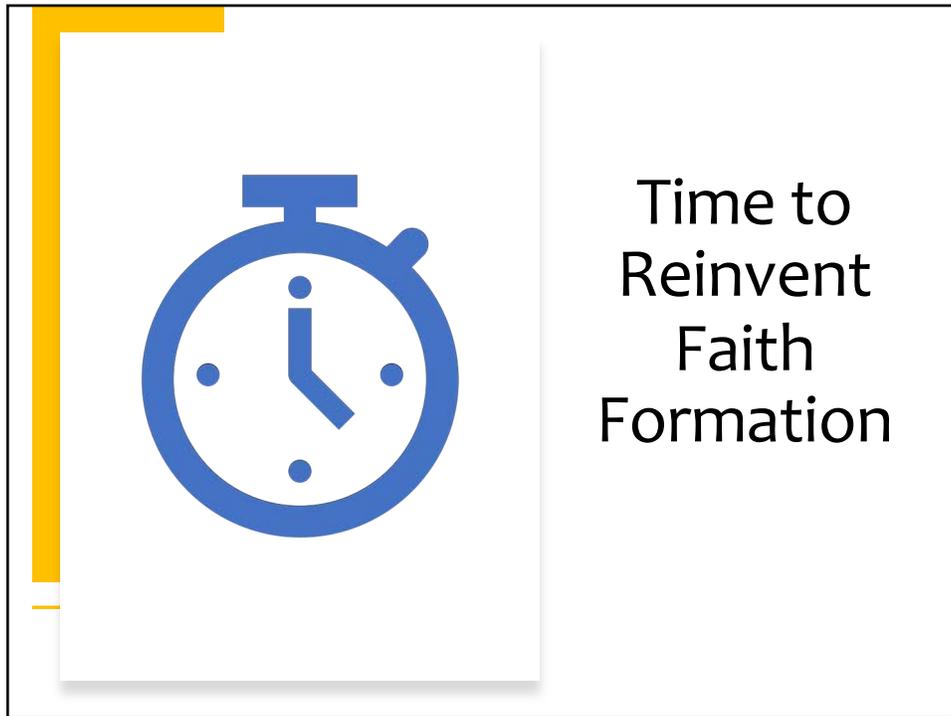

## What will faith formation & ministry look like in 2020-21?

We are not going back to normal.

We are no longer talking about months but about years of COVID-19.

We will not be able to gather people in church facilities as we have in the past.

## From Pivoting to Innovation

“How Your Children’s Ministry Can Emerge Stronger and Better After COVID-19” Mimi Larsen

In these past weeks, we have all worked hard to pivot, recreating our face-to-face ministries either online or in other creative ways. But we will not be going back to the same world—we will emerge from this pandemic in a world that has been profoundly changed.

As Les McKeown states, [it’s not enough to pivot](#). Pivoting involves keeping your eyes on what you have been doing. Instead, we should be embracing innovation, looking toward the future and imagining new ways of doing ministry. It is critical that leaders move from a pivot mindset to an innovation mindset, asking questions like these:

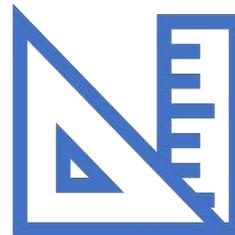

- *What would it look like to rethink how all ages grow in faith?*
- *What might a home-based discipleship ministry look like?*
- *How might your church embrace intergenerational worship and ministry?*

Yes, these innovative ideas require some thought. They also require creativity and risk. But don’t be afraid. We have been given a significant opportunity. Rarely do we get the time and space in ministry to dream. Asking “What if...?” can open-up all kinds of creative possibilities.

## Building Blocks for Faith Formation 2.0

1. Focus on goals for faith maturing in faith at each stage of life and design programming to address the goals.
2. Integrate three faith forming environments: intergenerational community, family, and age or peer group in all programming.
3. Design faith formation in three seasonal menus of programming.
4. Design playlists of faith forming content and experiences for all ages to structure faith formation programming.
5. Design faith formation using online and blended approaches, eventually incorporating programming in physical settings when conditions allow.

# WHAT IS WESTWOOD U?

Welcome to Westwood U!  
Westwood U offers people of all ages the opportunity to gather for education, faith development, and mutual growth-

kids, parents, grandparents, friends...

**Everyone is invited!**

The purpose is to move beyond education to formation and transformation. Westwood U is a way to nurture a whole culture – an ecosystem – of faith formation at Westwood.

We believe that heart and hands must accompany head in one's faith journey, so in addition to the classroom, Westwood U will create opportunities for faith mentoring, faith socializing, and even faith surfing by tapping into life experience of multiple generations. We operate under the conviction that the content of faith has no traction outside of faith-based relationships. Our faith flourishes in relationship.

**What courses are offered?**  
There are 3 categories for the courses offered at Westwood U. Several courses from each category are offered throughout the year.

**They are:**  
**Know:** hands on learning  
**Live:** service to our neighbor and congregation  
**Grow:** fellowship and faith nurturing experiences

**How many of each should I take if I'm looking to get credit for confirmation?**  
While completing the required number of 15 total Westwood U courses, confirmation students are required to take a minimum number of 3 courses in each of the 3 categories listed above. The remaining 6 credits are the students choice!

**Example:**  
 Year 1: 5 courses, Wednesday Night Live and Bible Milestone  
 Year 2: 5 courses and Wednesday Night Live  
 Year 3: 5 courses, mentoring and a faith statement.

 Likely after a long night of work, the fishermen were washing their nets and preparing to return to their homes when Jesus comes along and asks Simon to take him out in his boat. Jesus tells Simon to put his net back out into the water, and Simon hesitates for he'd already tried to catch fish all night long and caught nothing. But Simon does as Jesus says, trusting that

**HYMN FOR EPIPHANY**  
*Rise, Shine, You People!*

**taking+

**EPIPHANY MILESTONES**  
 Take a moment to tell or think about a recent mountain high and/or valley low in your life.

**CARING CONVERSATIONS**  
 Discuss in your home, small group, or use for personal reflections:

- Why do some people fear other people they don't know?
- How does the light of Christ help us to conquer our fears?
- A star led the wise men to Jesus. What leads you to Jesus?

**DEVOTIONS**  
 Read: Matthew 2:1-12.  
 People of another religion and another part of the ancient world used astrology to guide them to Jesus, and it worked. God wants the world to be blessed by the light of Christ that shines from Bethlehem to Jerusalem and on to the ends of the earth. It is God's powerful light that has entered the darkness of fear. Not only is King Herod frightened by the message that a king has been born to the Jews, so are all the people of Jerusalem (v. 3). That is, even the people faithful to God's reign are fearful. A new day that brings astonishing news is feared by all. We easily fear change, even if it has come to benefit us. The moment something new happens to us, we lose a sense of control. It is no longer about us. In this instance, the change is about God's rule, God's ways, and God's love that shines brightly into a darkened world. Thanks be to God for the light that breaks into the dark corners of our world and of our lives. It is the only light and only hope that really matters. Is change easy or difficult for you? How do you ask God for help?  
 Pray: **Dear Jesus, bless us to see in you the one who takes our fears and worries and turns them into joy and gladness. Amen.**

**SERVICE**  
 Epiphany, also known as Three Kings Day, is a time when an age-old Christian tradition of blessing homes takes place around the world. It is a custom to inscribe 20-C+M+B+20 with chalk on the door. C, M, and B between the year 2020 are the initials of the Magi but also stand for a Latin phrase meaning bless this house. The + symbolizes the cross. Our homes are places where daily spiritual practices take place (i.e., reading scripture, praying, or blessing others). Visit a person today who is homebound and pray with them. Conclude with the Lord's Prayer.

**RITUALS AND TRADITIONS**  
 The wise men followed a star to find Jesus. We still need something to guide us to Jesus. Take a moment to stand with your legs spread slightly and your arms stretched out. Just as a star has five points, imagine your head, hands, and feet being the points of a star. When you think about the awesome role you have as a star, leading others to Jesus, imagine how you can do that. Talk about, draw a picture, or make a list of ways you can lead others to Jesus through your actions and words.

## Designing Playlists: Learning Process

1. Engage
2. Explore
3. Create
4. Perform/  
Present

31

## Learning Process Approach

### **Week 1. Engage the learner in the topic or theme (synchronous)**

- Synchronous live streamed session to “gather” the group, introduce the topic/theme, and show how it connects to the life of the learner.  
Methods: presentation, demonstration, video, storytelling, etc.

### **Week 2. Explore the topic of theme (asynchronous)**

- Learners select one or more activities that go deeper into the topic or theme. This can take many forms (video, audio, text, reading, prayer or ritual, etc.)

### **Week 3. Practice and demonstrate learning (asynchronous)**

- Learners use a variety of methods to create an activity, individually or with others in the group, that demonstrate learning. Learning apps can provide a creative way to design an activity.

### **Week 4. Perform and present the project (synchronous)**

### The Wise and Foolish Builder

"The wise man (all people) built his house upon the rock..." may be a song that you sing or sang in Sunday School or Vacation Bible School or summer camp. It comes from a parable that Jesus told his followers about listening to and putting into practice what he has been teaching. We can also use this story to talk about making wise or foolish choices. Start by reading the Bible story or watching the video and going through the wondering questions. Then pick the activities your family would like to do, as many or few as you like. Close your family faith time with prayer - use your own or the one provided.

#### Bible Story

- Read the story of The Wise and Foolish Builder in your favorite Bible Story Book, in the [Deep Blue Bible Storybook](#), or in [Matthew 7:24-27](#).
- Wonder about the story together:
  - I wonder if you can remember a storm with lots of rain and wind.
  - I wonder what happens to a house when it is built on the sand when rains and winds come.
  - I wonder what happens to a house built on rock (or a strong foundation) when rains and wind come.
  - I wonder if you can think of a time when you listened to a wise friend or adult.
  - I wonder if you can think of a time when you did not listen to a wise friend or adult.
  - I wonder how you listen to Jesus' teachings.
- Prayer:
  - Dear God, thank you for Jesus' parables to teach us about making good choices. Help us remember what Jesus said about the builder of the house on the sand and rock. Help us to make good choices. In Jesus' Name, Amen.

#### Book

*Most People* by Michael L.examoth

Building strong foundations in our communities means understanding that most people care about one another and also want to have a strong community. After you read/watch the book, discuss these talking points: How have you seen people being kind in your community? When people are not kind, how can you and your family respond? You may want to tie this in with understanding race, racism and anti-racism. Learn more [here](#).

### FAITH IN AN ANXIOUS WORLD

Anxiety is on the rise in our world, and it's just because we're in the midst of a pandemic. How do we respond to the anxiety we feel? What might God be telling us through our anxiety? And how does our faith guide and comfort us to cope? The resources here will supplement what we're discussing in our PPS Zoom meetings each week.

- Whom's making your foot feel uneasy lately? Probe a lot of your ownies.
- I wonder what God might be trying to tell you? Where do you see God at work in the midst of your anxiety?
- I wonder what healthy ways you've tried to learn to cope with stress?
- I wonder who in your life you can talk to today about the anxieties you're experiencing?

#### PRAY

**PRAYER CHALLENGE**

**Examen**

1. Recognize God's presence with you.
2. Reflect on your "highs" from the day. For what moment am I most grateful? When did I give and receive the most love? When did I feel most alive today?
3. Reflect on your "lows" from the day. For what moment am I least grateful? When did I give and receive the least love? When did I most feel life draining from me?
4. Pray the day. Share with God - praise, thanksgiving, repentance, forgiveness, and petitions that come from the day.

Regular mindfulness review of your day using an ancient spiritual practice called the prayer of Examen is helpful any and every time you connect with God, but to do so manage anxiety.

Three options for practicing Examen:

1. Use the Prayer Challenge posted here.
2. Download the "Strenuous Examen" app on your device.
3. Use this series of slides from Fuller Studio to guide you through the prayer.

#### DO

**Grow Your Circle**

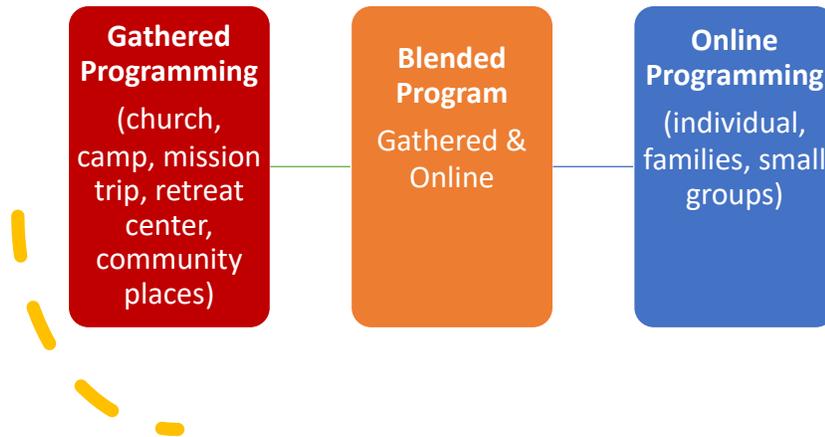

Who is in your trusted circle of adults you feel comfortable calling on when you need to talk about how you feel?

Check in with one of those adults this week. Share what you find making you anxious lately and ask if they can share any helpful practices to listen to and learn from their anxiety.

## Approach 1. Fully Online Programming (asynchronous)

40

Offer online programs, especially for youth, adults, and parents.

Curate programming using a thematic approach (goals, topics, interests) into Playlists.

Develop Playlists for self-directed independent learning with courses from seminaries, universities, websites, etc.

Independent Self-Directed or Small Group Learning

The screenshot displays the Yale Bible Study website interface. On the left, a grid of course cards is visible, including 'THE GOSPEL OF MATTHEW', 'THE GOSPEL OF LUKE', 'THE GOSPEL OF MARK', 'THE GOSPEL OF JOHN', 'ACTS OF THE APOSTLES', and 'ROMANS'. Each card features a thumbnail image and a brief description. On the right, a detailed view of the 'The Gospel of Matthew' course is shown, including the presenter information (Dr. Markelle W. Attridge and Dr. Michael Beth Dinkler), a list of featured courses, and a curriculum overview with sections for 'Introduction to the Course', 'Week 1: Ancestry and Birth', and 'Week 2: Sermon on the Mount'.

The image shows two screenshots. The top one is a website for Boston College's School of Theology and Ministry, specifically the 'STM Online: Crossroads' page. It features a navigation menu with 'ABOUT', 'COURSE SCHEDULE', 'FULL COURSE CATALOG', 'CERTIFICATES', and 'RESOURCES'. Below the navigation is a large image of a decorative metal archway. Underneath, there's a section titled 'Crossroads Courses' with a grid of course thumbnails: 'Spirituality and Prayer', 'Sacred Scripture', 'Sacraments and Liturgy', 'The Moral Life', 'Themes from our Christian Tradition', 'Ministries', 'Online Book Club', and 'Signs of the Times'. The bottom screenshot is a banner for 'PARACLETE PRESS ONLINE Summer Retreat SERIES' with a blue background and green leaves. Below the banner is a row of seven small portrait photos of people.

The screenshot shows the VCat website interface. At the top, there is a navigation menu with 'CREED', 'SACRAMENTS', 'MORALITY', and 'PRAYER'. The 'MORALITY' section is highlighted. Below the navigation, there is an introductory paragraph: "The Catechism is broken into four sections, it starts with the Creed, which is the backbone, the skeleton of the deposit of faith. Then we have the Sacraments, the nervous system, the way that we experience God. Add to that Morality, the muscles we need to be strong enough to live a holy life. But it all comes together in Prayer, the life blood we need to have a relationship with God. Put them all together, and we have a living person, Jesus Christ, the image of the invisible God and the goal of all catechesis. The more we know about him, the more we're able to love him, and to live him." Below this, there are six video thumbnails arranged in a 2x3 grid. The first row includes 'Love God Love Each Other' (with a 'NEED' graphic), 'Freedom' (with 'YOU SHALL NO EAR FALSE FITNESS' text), and 'Truth' (with a priest's face). The second row includes 'Dignity Matters' (with 'smart creative' text), 'The Do-Over', and 'No Other gods'. Each thumbnail has a 'CC BY-NC-SA' logo and a 'Click here to download wmv video' link.

### September - A Month of Gratitude

The spiritual practice of gratitude has been called a "love of love" and a way of life. But one problem is how to do it as a grammarian — an underlying structure that helps us construct and make sense out of our lives. The rules of this grammar cover all our activities. Its syntax reveals a system of relationships linking us to the divine and to every other part of the creation.

To learn the grammar of gratitude, practice saying "thank you" for happy and challenging experiences, for people, animals, things, art, memories, dreams. Count your blessings, and praise God. Offer blessings, and express your appreciation to everyone and everyone you encounter. By blessing, we are blessed.

Frederic and Mary Ann Bruskot (fbruskot@faithfulpractices.com)

#### Learn

**Want to be Happy? Be Grateful**

The one thing all humans have in common is that each of us wants to be happy. Says Brother David Steindl-Rast, a monk and interfaith scholar: "And happiness, for myself, is born from gratitude. An ongoing lesson in allowing down, being where you're going, and allow all, being grateful. Go to 1:50 to learn more and read the transcript."

For a podcast of Dr. David's interview with Krista Tippett about **Gratefulness** go to: [The Living with Krista Tippett](#).

**Gratitude: Living Life as Gift**

Dr. Curtis Akpan of the University of St. John the Evangelist describes the gift of gratitude and how to practice gratitude. Go to the [LIFE](#) website to learn more.

#### Pray

**Gratitude Prayer for the Month**

*Gracious God, in the business of my day, I sometimes forget to stop to thank You for all that is good in my life. My blessings are many and my heart is filled with gratitude for the gift of being. For the ability to love and be loved. For the opportunity to see the everyday wonders of creation, for sleep and waking, for a world that thrives and is brimming with life. I thank you, God, for those things of my life that are less than I would have them to be. Things that seem challenging, unfair, or difficult. When you have been generous and joyful and peace of heart from in my weary days, God I rejoice that you are as near to me as my next breath and that in the midst of turbulence, I am growing and learning. In the absence of my need, I thank you most of all for your unconditional and eternal love. Amen.*

#### Psalms on Gratitude

Read and reflect on the Psalms each week. (Just click on the title for the Psalm.)

**Week 1 - Psalm 65 and Psalm 103**  
**Week 2 - Psalm 103**  
**Week 3 - Psalm 104**  
**Week 4 - Psalm 107**

#### Read, Listen, & Watch

##### Articles

Read "Ten Words That Will Change Your Life" by Eric Denton to learn how gratitude begins humility which begins God's grace.

##### Book

This moving book offers gratitude for the blessing of life and the everyday wonder and beauty of nature. It was inspired by the short film *Gratitude*, a real video sensation by acclaimed filmmaker Louie Schwartzberg recently featured on Oprah's Super Soul Sunday. The book and film pair one of today's most uplifting poems—the Internet phenomenon "A Good Day" written by renowned spiritual leader Brother David Steindl-Rast—with stunning images by Schwartzberg. This inspirational package includes not just the book but a DVD with two short films by Schwartzberg (including *Gratitude*) and Brother David's own "A Good Day" video. The last page has a link to the "A Good Day" audio track, which you can use to create your own audio or video album or what you are grateful for.

##### Live

**Basic, Daily Gratefulness Practice**

If each day we could engage in a "basic daily gratefulness practice," it would be enough to positively impact our lives and the world around us. Just because a practice is simple does not mean it has simple results. Even though you might choose to try this practice in a more formal way at the same time each day, it can be done anytime, anywhere, and as often as you want. Go to [Gratitude.org](#) for to experience the grateful.

**Gratitude through the Day**

*Gratitude, the other spiritual practice, is something we do, not just something we feel. And in comparing we need to practice. To practice gratitude, we don't need a special cushion on which to sit, nor a special lamp. It lights, nor a special robe or special "to go" bag. Our prayer needs to credit the special prayer book to begin, nor a special prayer or mantra to recite. (None of these is or any way bad or inappropriate. It may well help. It is simply not enough.)*

What is enough is here and now. The Psalmist reminds us, "This is the day that the LORD has made for us to rejoice and be glad in" (Ps. 118: 24). Gratitude connects our life and nature to God. Gratitude makes us really available to the real presence of Christ, who is at work within us and around us. Use the "hope poem" to feel those four simple practices and see how they change your day.

**Just for Parents: A Virtual Stations of the Cross**

The Stations of the Cross is devotion following the events leading to Jesus' crucifixion. Prayers, accompanying it allow time to reflect on the mystery of his death. Originally the Stations of the Cross was an actual physical journey in and around Jerusalem. Later the series was symbolized in outdoor stations, and today many parishes display artistic representations in their sanctuaries. The Stations of the Cross may be done at any time, but is commonly a part of Lenten spiritual practice, specifically on Good Friday.

[Busted Halo](#) has created a series of virtual stations designed for personal devotion. These stations relate to Jesus' teachings about the Kingdom of God and the reason for his death. Find a quiet place to watch these stations, and as you do the devotions be open to how God is speaking to you through the Stations of the Cross.
